

MND SUPPORT GROUPS

If you are living with MND, are a carer or are a local health/community care worker for people living with MND - these groups are for you!

The MND and Me Foundation host regular support groups to provide the opportunity for people living with Motor Neurone Disease to meet together in an informal environment to chat, catch up and learn from each other.

Regular guest speakers from the health and community sector, who know about MND or have expertise in a topic that may be of interest to the members, are invited to present to the support groups.

This year's Queensland Support Groups have been scheduled for: Sunshine Coast, South Brisbane, North Brisbane, with small local groups planned for regional centres in Mackay, Townsville and Cairns.

To find out when your next local MND Support Group is being held go to www.mndandme.com.au or contact Stacey on 07 3394 5333 or services@mndandme.com.au.
